

## DAILY SUMMARY REPORT

SOL: 5

Person filling out Report: Mohammad IRANMANESH, XO

Summary Title: work hard play harder.

Mission Status: All systems GO. Probably ATVs too but not tested. All experiments are successfully ongoing.

Sol Activity Summary: Morning sport routine. EVA #4. Work on projects.

Cleaning. New radio received. Helmet repair: the glass part of the 3 helmets were replaced. Crew Engineer unclogged the water pipe. NorCal rover successfully tested. Crew Astronomer followed the new instructions received.

Look Ahead Plan: We are expecting visit from a PhobosTV journalist.

Hopefully we will finally be able to train on the ATV. This would allow us to go explore further during the second week of the mission.
